From The President's Desk

I am pleased to inform you all that the registration form, for the 2016 reunion in Branson is complete. You will find the form on the website by just clicking on reunions and then on "up coming events." It should come up for you. You can fill it, preview it, print it out, write a check, and mail everything to me. My address is on the form.

Please note that activities planned for Thursday and Friday at the reunion are "all inclusive," meaning that the cost for each of these two days, includes the cost of tour, meals, where indicated and transportation. One price for all day.

Saturday will be open to do as you wish, except for the banquet dinner and seating for that will begin at 1730 hours.

If you would like to do other things, I would suggest you contact Sarah Green-Hord at Ozarks Kirkwood Tour and Travel. She is their military specialist and can help you with

any other attractions you may want to visit. She can be reached at 417-335-4668 or by e-mail at sarah@ozarkskirkwood.com.

Thanks going out to Don and Connie Kruger for being the first reunion registration to come in followed two days later by Ron and Ann Abel. We really hope the registrations start to come in on a regular basis now that summer is almost over.

In putting together the registration form, I added the cost of the Saturday night banquet, when in fact that cost is already included in the registration cost. We will reimburse for the over charge.

George Pavlovich contacted me about transportation from the airport to the hotel. Apparently the airport is located Springfield and is some distance away from Branson. Depending upon traffic the trip could take between 40 minutes to an hour to reach the hotel. The cost is about \$45.00 per person and \$5.00 for each additional person. The company George talked with is Branson Loop and they suggested that people who will be flying in, call and provide them with their arrival dates and times so that they may be there to make the pickup. Also if enough people use his company, he might be able to lower the cost. The phone number for this company is 417-320-6035.

Those who fly will not be arriving on the same day, at the same time so it is not possible to book transportation just for our group. Many years ago I accompanied my wife to New Orleans for a conference. We flew into an airport outside of New Orleans. I do not remember what the city was. Anyway, the transportation situation was the same as Branson will be. In New Orleans, we were able to jump on a shuttle along with other people who were going into New Orleans and that saved us a bunch of money. The total cost of the shuttle was divided equally. It worked out for everyone. However, there is no guarantee this can happen for you, but it's worth a shot. It's not like you will be the only person going from the airport to Branson. The more people in the shuttle, the less the cost per person. There is no need for anyone to pay \$45.00 per person while someone else pays just \$5.00. Fill the shuttle up and divide the cost equally.

I also contacted the Radisson Hotel and learned there are more transportation companies. They are: Grayline 800-542-6768, 1st. Class Shuttle Service 417-239-4492, and Fisk Limo 417- 862-8522.

It would not surprise me one bit, if one or all of these companies just might have a shuttle waiting at the airport, looking for passengers. That was our experience in New Orleans many years ago.

Web Site change

We want your thoughts on this as were you would like to see these items and what you would like to see worked on first, This is your web site and we do not want to hear later that maybe this should have gone here, why was this added, or why was still done at all? See comments in red for status and or question, bull

- **Awards Page** - has not been started yet. Based on an email thread from 2013, you were going to send materials for me to use. However, the only items I received were a USB drive with Newsletters, and a few printed newsletters. I acknowledged that I did not receive any awards content, but did not follow up with you on it, and thus was quickly forgotten
- **2012 Reunion Group Photo** - scanned the photo into the computer, but have not created an image map to associate faces to names. Primarily a lack of free time. However, a lack of reunion photos to post from members indirectly lowered the priority of the task.

Sent Rob, last years email newsletters to be added to newsletter list.

- **List of Commanding Officers** - Last I knew, you were still compiling data for this list. I have not heard anything about it, or where to post it on the website. **Bob has the list in one of the newsletters, need help with the finding their pictures**
- **Admiral Edwards** - I have attached a photo and bio to this email. Is this the content you want posted on the website? **yes, where do you want it placed?**
- **Bon Hon Refueling** - I have attached a photo of the Bon Hon Refueling in 1959. **Where would you like the photo posted?**
- **Turley & Capt. Deal** - I have attached a photo of Jack Turley that was submitted. Where would you like the photo, **Please hold on to it until we decide about commanding officers list and then add it next to his bull name**

CHINFO_DD950 - I have attached a PDF document that details the sinking of the ship. **Do you want this posted on the Ship Info page yes,**

Last year email newsletters Sent Rob copies of last years newsletters to be added to newsletter page.
